City of Irving Statement Regarding the Pavilion at the Irving Music Factory Delayed Open

(IRVING, TEXAS) — In 2013, the Irving City Council selected the ARK Group of Irving to develop and operate the entertainment center project. The ARK Group began construction in 2014 and subsequently contracted with Live Nation Entertainment to operate the Pavilion at the Irving Music Factory. The Pavilion is the amphitheater.

The city has committed significant resources to assist the developer with its completion of the Pavilion.

While the City of Irving is disappointed in this delay, we expect ARK will apply all the resources necessary to ensure the successful opening of this exciting new venue.
