

Victim Information and Notification Everyday The VINE System

If you are a victim of crime in Dallas County and the suspect/offender has been booked in the County Jail, you can register to receive notification regarding jail custody status changes from Texas VINE.

Call Toll Free 1-877-TX4-VINE or 1-877-894-8463 and register your phone number or any phone number where you would like notification of changes in custody to be delivered, along with a 4 digit PIN number which may be the last 4 digits of your phone number. The PIN number will need to be entered at the end of the call so they know you received the information or the automated system will continue to call, so remember your PIN number.
