

We are thrilled to bring the Summit for Texas Code Enforcement Attorneys & Officials back to the City of Irving. The Code Summit continues to be the only seminar in the State of Texas that concentrates on the variety of code enforcement work regularly encountered by city attorneys in their jobs, with a focus this year on exciting topics such as civil enforcement in municipal court, short-term rentals, dockless bike share, signs regulations post Reed, parade/march ordinances, collections and much more! We are pleased to provide this great opportunity for relevant continuing education not only to our fellow code enforcement practitioners, but also to building and code officials from across the state.

I hope that you will send representatives from your city to join us on May 11 at the Summit for Texas Code Enforcement Attorneys & Officials to be held at the Irving Convention Center. We look forward to seeing you there!

Kuruvilla Oommen, City Attorney
Irving, Texas

Additional hotel options available online at CityofIrving.org/Code-Summit.
